Dear

Claudia,

I only  
have eyes  
for you.

Happy Halloween

All my love,  
Bob

It's a scary time this  
Halloween night.  
When ghosts and goblins  
give you a fright.

But holding each other will  
get us through.

Two bodies as one, me and  
you.

For any time I am down or blue.

The thought of your smile, your touch  
makes all smooth.

So I exclaim again: you are the  
love of my life!!

My lover, my partner, companion,  
so lucky you are my wife!!
